ABOUT KATE ZABRISKIE

For more than twenty-five years, I've helped Fortune 500 companies, hospitals, schools, and local businesses fix problems, raise standards, and deliver steady results. That's what I'll bring to Congress: not noise, not slogans—just work that gets done.

SIMPLE STRENGTH

Strength isn't bluster. It's duty, details, and discipline. I'll read the bill. I'll return the call. I'll do the work.

VALUES THAT GUIDE ME

- Personal Responsibility
- Stewardship
- Fairness
- Opportunity
- Accountability
